

Provo Herald Wed 6 Oct 1971

OLD-TIMERS IN PROVO AREA will recognize this as the old Smoot Lumber Company office and mill at Sixth South and University Avenue. Originally known as the Provo Lumber, Manufacturing and

Building Company, the firm began serving the area about 1870. It was established by Abraham O. Smoot, one-time Provo mayor, church man and business leader. This picture, it is believed, was taken about the turn of the century when Mr.

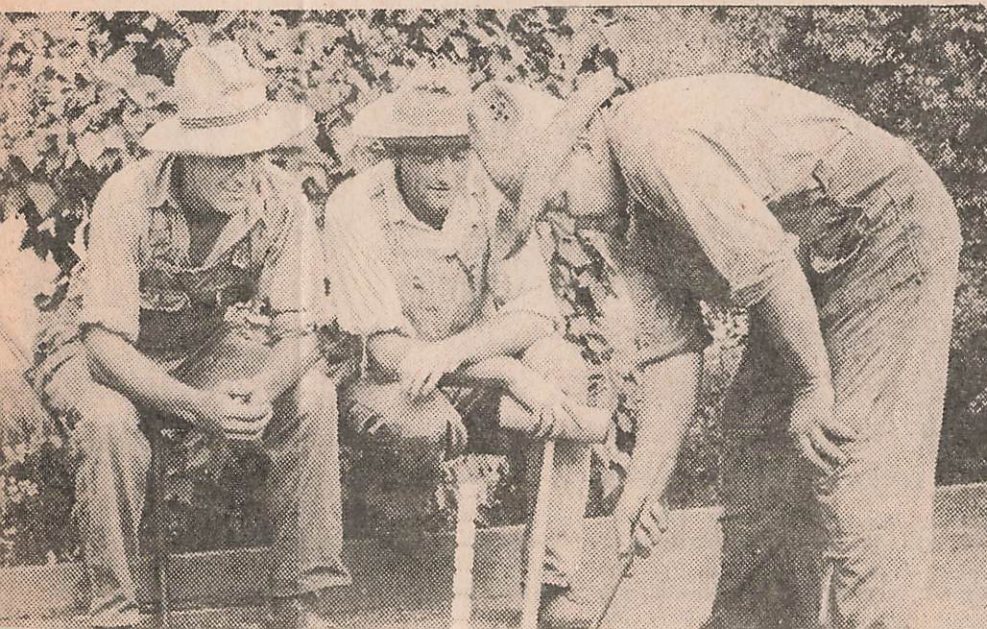

Smoot's son Orsen Parley Smoot was owner-manager. Who are the men pictured in front of the building? We'd like to know — and if you can identify them, contact the Herald newsroom.
